Commissioner:

In response to paper # 071806 mailed 22 July 06 and paper #072406 mailed 22 July 06.  
Please amend the above-identified application as follows:

Claim 15 and Claim 22 are cancelled.

Amendment is in response to the communication filed June 13, 2005 being deemed informal/non-responsive by the Examiner for claim 15 not being directed to Species I, Fig. 1, since Fig. 1 does not show liquid dispensed through a plurality of orifices.

Please cancel claim 15 and claim 22.

Remarks

In view of the foregoing amendments and remarks, consideration and allowance of this application are respectfully requested.

Respectfully submitted,
